Electronic Funds Transfer Information

The Greater Scranton YMCA is pleased to offer electronic funds transfer using your credit or debit card account for your swim team payments. This is a convenient way to make your swim team fee a monthly payment.

Draft and payment dates: The Greater Scranton YMCA will deduct our posted program fee from your credit or debit card account on the due date. Fees are payable on the fifteenth of each month.

Starting Date for Your Electronic Fund Transfer: It takes the YMCA a few days to start the electronic process.

Cancellation or Changes: The Greater Scranton YMCA will need a written statement to change credit or debit account information or cancel the electronic process. This agreement will cease at the end of six (for White Practice or High School) payments, or seven (for Blue/Gold) payments, unless we receive a written request.
